

SESSION: 2020-21

PERIODIC TEST-1 SYLLABUS (CLASS-X)

'Children are the Priority, Change is the Reality, Collaboration is the Strategy'

-Judith Billings

Cir No.: STS/22/2020-21

22nd May 2020 (Friday)

Dear Parent,

The biggest change witnessed by the education system globally this year has been the massive shift to E-learning or digital classrooms. Through our earnest endeavor we have enabled the seamless transition of learning between home and school through virtual learning. The blended learning environment has provided vital spaces for students and educators to exchange resources and ideas, develop skills & attitudes and enhance their abilities.

This change has been effective because of the collaboration between the parents and school. Engaging students fruitfully through a blend of curricular and co-curricular activities have helped the students accomplish the learning outcomes. Now, the next step is to strengthen the teaching- learning process through assessments. We will be conducting formal assessments post summer break.

Kindly note the following:

- Utilize the summer break revising the topics covered in all the subjects regularly.
- As part of Subject Enrichment Assessment various activities like Quizzes, Projects, Multiple Choice Questions (MCQs), Dodging Tables, Mental Aptitude Test, Listening/Speaking Skills etc will be conducted.
- Holiday homework will also be assessed under Subject Enrichment.
- Detailed schedule of PeriodicTest-1 will be shared post summer break.
